Class History

In the fall of nineteen hundred forty-nine, fifty-six scared and bewildered freshmen entered the new Warrenton High School halls with a loud clank and clammer, but soon were quieted down by the fierce initiation "sponsored" by the sophomore class. After thus being put in their places, they began their high school life by electing class officers who were: Pres., Wallace Reed; Vice-Pres., Gene Martin; Secy., Nancy Lacey; Treas., Susan Hopkins. With much help from the class advisors, Mr. Geil and Mrs. Bear, the class sponsored a Backward Dance to raise funds. The freshman year was most interesting, and the fall of 1950 found forty-three eager sophomores.

This year, being our sophomore year, we were now accustomed to school. We began taking our turn in school activities with the initiation of the new freshmen. After this event was over, we settled down to the many activities of the class and student body. Our advisors, Mr. Guttridge and Mrs. Willis, kept us in tow, and we elected our class officers: Pres., Don Hansen; Vice-Pres., Mary Jo Chase Secy., Donna Talfourd; Treas., Susan Hopkins; and Sgt.-at-Arms, Darwin Ehrlich.

We began our junior year with thirty-two eager, ambitious students now very proud of our new role as upperclassmen. The Junior-Senior Banquet was the big event of the year. This called for much planning and work, for we had to earn money for the coming events. The Banquet is a traditional activity held in the spring followed by the Junior-Senior Prom. By taking over the candy booth and holding many dances and food sales, we built up our treasury to meet the needs.

With the help and patience of Mr. Guttridge and Miss Waite, our advisors, and with lots of hard work, we gave the Junior Class Play, *NO BRIDE FOR THE GROOM*.

The officers for the junior year were: Pres., Viola Gramson, the successor of Luella McGregory; Vice-Pres., LeRoy Dunn; Secy., Mary Jo Chase; Treas., Susan Hopkins; Sgts.-at-Arms, Correne Bergin and Dick Hansen. The year was most successful.

In the year 1952, we entered again with thirty-eight sharp, animated, and eager seniors. This being our last year, we got right down to work, and elected our class officers who are: Pres., LeRoy Dunn; Vice-Pres., David Cochran; Secy., Mary Harrod; Treas., Susan Hopkins; Sgt.-at-Arms, Doug MacWilliams.

The first event of this year was a dance, and the big event--- the Christmas Ball. All this to raise the money for the Senior Skip Day and Commencement. We also had a Senior Class Play, *THE ABSENT-MINDED BRIDEGROOM*, which was a great success with a willing cast and the help of Miss Waite, our advisor.

As I now close the history of our senior class I take this opportunity to bequeath the best of luck, happiness, and success to our Alma Mater, to those remaining, and to those coming in. We sincerely give our appreciation to the faculty for the help they have given us during these years.

In testimony whereof, we hereby affix our seal and signature on this, the 29th day of May, the year one thousand nine hundred fifty-three.

Class Prophecy

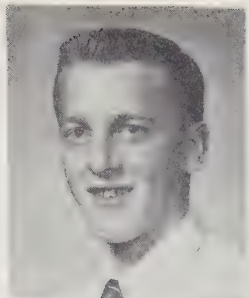

I, Don Hansen, a professional entertainer, heard Susan Hopkins had an exclusive tea room in California, so stopped by to see her. She told me that I could find out about my classmates from a Hollywood gossip columnist named Fern Gray. I rushed right down and there she was, talking on one of her seventy-nine telephones. After a while I got her to myself and she turned from a gossip to a psychic. She told me that LeRoy Dunn was now playing football for the Los Angeles Rams. It filled my heart with sadness when she told me Nancy Hitchman had become a psychiatrist at San Quentin. As yet she is single for she hasn't met a convict with money. She said Carolyn Price and Barbara Herglund are famous beauticians but prefer working on men. You can find Luella Dunn in a corner of Carolyn's or Barbara's beauty salon with a spot reducer. Donna Talfourd was engaged to marry a multi-millionaire but she stood him up at the alter with the excuse that she could never love anyone else but her first boyfriend, Dick Maize. They now own a riding academy in San Fernando Valley. Fern said that Viola Gramson is now running as the first woman President of the United States. Mary Harrod has become a cigarette girl at the Stork Club in New York City. Glen Doney was just named Mr. America of 1973 and John Stratton was runner up for Mr. Breadbasket. The Reverend Mr. Kerr was holding a revival meeting at Satch Gronnel's Gambling Casino. I just looked out the window and saw Eddie Smotherman chasing a redhead from Portland. Miss Marilyn Moffat is trying to squeeze out Marilyn Monroe, but the sand shifted to the wrong end. I was told I could find Arna Doney and Helen Sleutel working as chorus girls in the Grandpa Godfrey show. Mary Jo Chase and Sue Sells were nurses at the Mercy Hospital and the last patient they had cared for died of a broken heart. Tommy Ferguson and Gene Watson have just signed a contract with the House of David basketball team. David Cochran was teaching at an institution for the mentally ill. Norman Johnsen was a butler at the Gene Martin mansion. Wallace Reed has married Betty Jo Hale and they practice the observation, "Cheaper by the Dozen." Gerald Black is farming in Africa. I was surprised to hear that Douglas MacWilliams was a scientist and had just discovered how to eat and keep thin. Bonnie Brunsdon and Laverne Davis are college professors. Luella McGregory is in the hospital suffering from laranitis which she acquired yelling at her brood. Eugene Miller has been graduated from carpentry school and is still waiting for his first job. Dick Hansen is coaching the Bloomergirls Volleyball Team. Ivon Bradley and Nancy Hensley are still fighting. Floyd Andrews is playing the part of Romeo in Dick Mattson's stage play of Shakespeare. Last but not least, Darwin Ehrlich will be retired from the Navy as an admiral in about five years.

Juniors

The junior class has spent a busy year trying to raise the necessary funds to finance the Junior-Senior Banquet and Prom for which they are held responsible each year.

Their first activity was the Hallowe'en Dance held October 24th in the Grade School Auditorium. The room was gaily decorated in true witch fashion with lighted pumpkins and bales of hay lending atmosphere to the occasion. Doughnuts and apple cider were served.

The Junior Class Play, IT'S A GREAT LIFE, was presented to the public during Thanksgiving Week. A special afternoon performance was also presented to the students of the grade and high schools.

During the spring quarter the juniors took over the candy booth and did an able job of supplying the student body with pop and candy.

On May the fifteenth, the Junior-Senior Banquet was successfully presented to the graduating seniors. Following an excellent dinner, the members of both classes went to the school gymnasium to take part in the annual Prom. An enjoyable time was had by all.

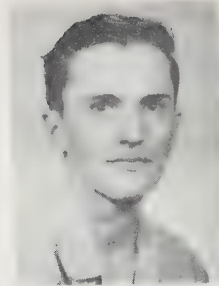

The entire class is looking forward to 1953-54 when they become the seniors and can play "Top Banana."

Freshmen

The freshman class helped to entertain the student body at their initiation. Almost everyone took it in good spirit, but there were a few who didn't enjoy the afternoon's entertainment. Most of them had a lot of fun, and certainly the sophomores did, too.

There was a class party the day before Thanksgiving vacation. The majority of the class attended and all the food was eaten. We had all the food for Thanksgiving except the turkey.

The class also had a surprise party in honor of Mr. Steck, their advisor, who resigned March 27th.

The final activity of the class was the Freshman Follies in April.

G.A.A.

The G. A. A. is Warrenton High School's newest organization. We started off the year by electing our officers. Then intramural sports were started. We had both volleyball and basketball tournaments between the different classes.

In January the girls held a playday here. We invited seven other schools to participate with us in a volleyball tournament.

On March first, the Tillamook G. A. A. invited us to their playday, which was conducted much the same as ours. They put on entertainment and served us beverage to go with the sack lunches that the girls took with them.

The girls can earn letters by participating in each year's activities. A point system has been set up so that after earning a diamond-shaped letter, a five inch letter, and a seven inch letter, the girls are awarded a white sweater.

All in all, it's a super club. We have had fun and appreciated all the help we have received from Miss Thien, whom we want to thank for helping us organize G. A. A.

It's been a great and a booming year for the Warrenton band, conducted by Mr. Sam McCoy.

The band played at football games, and helped greatly to lift the school spirit at good old Warrenton High.

A concert was given in February, with a large and well-satisfied audience attending. The selections ranged from popular to semi-classical.

During the basketball tournament the band traveled to Tillamook. It was a time of excitement and gaiety, and not an instrument was laid down until the final whistle.

Yes, it's been a great year, whether on the football field or on the stage.

Some things may fade away, but the fun and satisfaction we derived from band sessions will remain forever.

Letterman's Club

The first activity for the Letterman's Club during the 1952-53 school year was the initiation of eight new lettermen, and an "Initiation Dance."

Very soon after the football season a banquet was given in honor of the football players by the Warrenton Chamber of Commerce at the Legion Hall. Special guests were the speaker, Leonard Younce, and Gilbert Bergerson.

Another dance was then held to raise funds for the annual banquet.

The Annual Letterman's Club Banquet was held March 13th at the Crab Pot Banquet Room. Guests were the speaker, Frank Buckiewicz, and two other members of the athletic department at Pacific University.

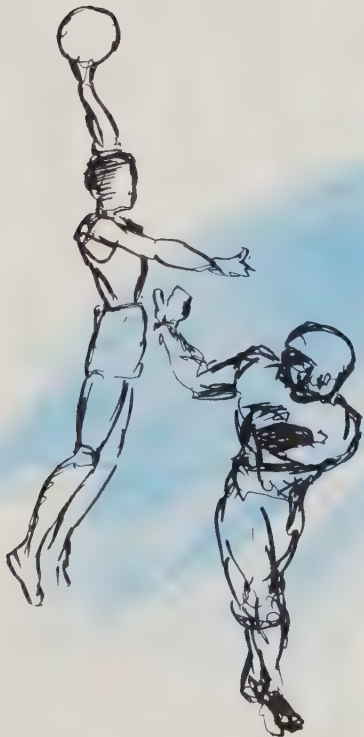

The Letterman's Club will lose ten lettermen who have rendered their last services for W.H.S. They are: Leroy Dunn, Tom Ferguson, Norman Johnsen, Eddie Smotherman, Eugene Watson, Jerry Kerr, Dick Hansen, Glenn Doney, Gene Martin, and Ivon Bradley.

The advisor for the club this year was Coach Carl White.

Sports

Football

The Warriors, under the tutelage of head coach Carl White, did not have a very successful season. In our second year of "A" competition, we lost all our league games. All in all, the Warriors had a much improved ball-club, as they played good ball in most of the games; but they lacked reserve strength enough to have a winning season in the tough Lower Columbia League.

The Warriors best games were against Clatskanie who defeated the Warriors in a very close game by the score of 2 to 0. That was a hard one to lose. The Warriors also played good inspired ball against the Vernonia Loggers, but failed to come through in the clutch, as our offense failed to

click when we needed it most. In both of these games we were very weak in reserves, keeping us from victory.

Next years prospects are excellent with lettermen at every position, and the Warriors should provide tough opposition in league competition.

Seniors who have played their last game for Warrenton are: Ivon Bradley, Eddie Smotherman, Gene Martin, LeRoy Dunn, Dick Hansen, Jerry Kerr, Tommy Ferguson, and Gene Watson.

Basketball

The Warriors did not enjoy a winning season for the second year in a row, but under the coaching of their new head mentor, Walt Buckiewicz, former Pacific U. hoop star, they have shown definite signs of improvement over their first year in "A" competition. In many games the Warriors showed that they could play ball as they had the hustle, the fight, and the will to win. Next year the Warriors will have five well experienced lettermen and some fine J. V. players will be advanced to bolster the Warrior basketball squad.

High scorer for the season was sophomore Dick Maize with 200 points. Individual scoring honors were also won by Dick, who racked up 21 points against Vernonia.

Seniors who have played their last game for W.H.S. are Tommy Ferguson, Dick Hansen, Gene Watson, and Eddie Smotherman.
